STAND STRONG
LIVING LIFE WITHOUT LIMITS
Stand Strong. Think of all the people who need to hear this message. The student who gets taunted and pushed around because he’s different. The teenager who writes a note about why she wants to end her life. The wounded veteran who struggles to pay rent as he searches for work. The single mom who feels like she has nothing left to give.

Stand Strong is a strategic effort to reach entire communities with the hope and love of Jesus Christ. Our goal is to target several different cities or regions throughout the United States and spend three full days in each area visiting schools, engaging in community service, and sharing the Gospel.

Are you passionate about your city? Do you want to help kids who are being bullied? Do you long to see the love and hope of Jesus Christ transform your community, leaving it forever changed?

This is our purpose and our prayer for Stand Strong. Check out our schedule to see if we’re coming to your area, and then let us know how you’d like to get involved. If your city isn’t on the schedule yet, maybe YOU are the person to gather leaders in your community and make a Stand Strong campaign happen!

We invite you to Stand Strong with us as we watch God move in our students, our neighbors, and our communities for Jesus Christ!

In Him, Through Him, For Him,

Nick Vujicic
WHY DO WE NEED TO STAND STRONG?

Jamin is the oldest of my 6 children. He saw & heard his father being very abusive for 13 years. Because the courts decided that our children have to be with their dad also, the abuse is ongoing. Jamin now bullies others.

I remember when Mya had all the confidence in the world, excelled in school, and had many friends. Ever since middle school, she has been picked on and as a result has had to go through therapy. Bullying is taking this kid’s life.

- 19.6% of students have been bullied on school property nationwide
- 14.8% of students have been electronically bullied, including being bullied through e-mail, chat rooms, instant messaging, websites, or texting
- 17.0% of students have seriously considered attempting suicide
- 8.0% of students have attempted suicide one or more times
WHAT HAPPENS AT A STAND STRONG EVENT

Hilariously funny, emotionally moving, and awe-inspiring to push each person to their personal best.

Allison Taverner, Public School Teacher

Day 1: Stand Strong in School

On the first day of Stand Strong, Nick visits local middle and high schools to address the rising trends of teen depression and suicide and to challenge students to take a stand against bullying. His inspirational message is streamed live to participating schools in the local community and statewide, empowering students to seek help through their school’s support channels and through our strategic partners. Nick customizes each talk and is conscious to respect church and state issues when speaking in public school settings.

After Nick spoke to over 325,000 students at 278 middle and high schools in Indiana, Governor Mike Pence said, “The time has come for kids of all ages to feel safe and secure while earning an education and beyond in our nation. On behalf of my family and Hoosier families everywhere, I offer my profound gratitude for the tremendous work you are doing for America’s next generation.”

We want to stop stories like this from happening...

Alejandra is 10 years old. Her classmates hit her in the nose and she bled a lot. She was caught by the hair and dragged to the football field. They beat her up with a ball. They called her ugly and fat. She stepped into a deep depression. She attempted to harm herself. She was a very sweet girl.
WHAT HAPPENS AT A STAND STRONG EVENT

It is inspiring to see Christ’s church coming together and reaching out into the community with such awesome impact.

Day 2: Stand Strong in Life

On the second day of Stand Strong, Nick partners with local churches, non-profits, civic groups and government agencies to show God’s love through community service with the goal to leave a community better than how they found it. Often the focus is on at-risk youth or veterans.
Day 3: Stand Strong with God

Stand Strong concludes on the third day at a stadium event with an evangelistic message from Nick and a celebration concert featuring contemporary, inspirational music.

It was wonderful to hear Nick share his encouraging and compelling story. And then, to watch with amazement as so many young people responded by trusting Jesus Christ with their lives and futures.

HOW CAN I GET INVOLVED?

1. **Community**
   - Reaching a community involves those currently in leadership, from governing officials to local charities and non-profit organizations. We need people who can facilitate meetings with local leaders and organize meaningful opportunities to serve and impact your community.

2. **Donors/Corporate Sponsorships**
   - Hosting an event of this scale has significant costs involved. We need people who can get behind fundraising efforts and others who will give generously to make Stand Strong a reality in your community.

3. **Schools**
   - When Nick comes to a city he'll make an appearance at select schools, while other schools have the option to stream the event live at their assemblies. We need schools and administrators to get on board to bring Nick's inspirational message to students in your community.

4. **Local Leadership**
   - This essential team typically includes 10-12 leaders representing the various aspects of a Stand Strong event (school, community, stadium). These volunteer leaders have passion for their communities and work in harmony with the national Stand Strong team to execute the 3-day campaign.

5. **Churches/Faith-Based Organizations**
   - Prayer, encouragement, and support are the heartbeat of a Stand Strong event. We need faith-based groups who will work together to love their communities by volunteering, spreading the word about Stand Strong, and providing follow-up at evangelistic events.
