REACHING THE WORLD FOR JESUS

OCTOBER 2018

**YOU** ARE THE PROOF  
**THAT GOD**  
*Hasn't given up*  
**ON ME.**

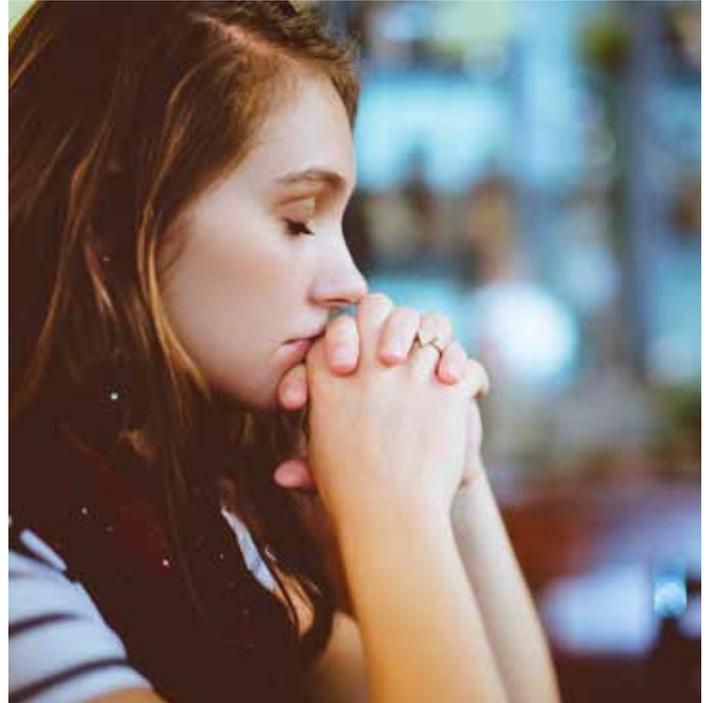

Dear Nick,

I'm a fifteen year old girl from Germany who wants to thank you. My sister tried to commit suicide for the sixth time ten months ago, and she succeeded. She had been very mentally ill the last five years of her life. She was the one who showed me a video of one of your speeches on YouTube.

Since then, I think of you a lot. I often wonder why my sister survived five traumatizing suicide attempts if she was going to die eventually. And I'm searching for answers. Why, God, why did You take that one friend I had? Why did the one person who was there for me when kids at school were mean die? I miss her!

Nick, you once said that you did not want to serve God if He didn't answer your question 'why?' But God asked you: 'Do you trust me?' After I heard that, I stopped looking for answers. It's still hard to accept that my sister is dead, but you really made it clear to me that I shouldn't try to understand God, I just have to trust Him.

I didn't write this to make anyone feel sorry for me or anything, I just want to thank you from the bottom of my heart. You changed me, you changed my sister. I'm so thankful for people like you.

“ ”

**YOU MADE IT REALLY  
CLEAR TO ME THAT I  
SHOULDN'T TRY TO  
UNDERSTAND GOD, I JUST  
HAVE TO TRUST HIM.**

You are the proof that God hasn't given up on me. Thank you for your beautiful words, thank you for the hopeful message that you share, thank you for who you are.

This sounds weird because I don't personally know you, but I love you.

Hannah

Be joyful in

**HOPE**

Patient in affliction,  
**FAITHFUL IN PRAYER.**

- ROMANS 12:12 -

Dear friend,

Some days it is almost too painful for me to read letters like the one I shared in the cover story of this newsletter. My heart aches for Hannah, and for the devastating pain that led her sister to take her own life. Life is hard and its disappointments can be overwhelming. That is why I believe God reminds us again and again to comfort one another, be an encouragement and pray for each other.

In Romans 12:12, the Bible says, "Be joyful in hope, patient in affliction, faithful in prayer." The more we lift each other up, the better equipped we are to face life's challenges and help others do the same. **Thank you for praying for me as together we tell our world about the hope that is only found in Jesus.**

I am overwhelmed by your response to Proclaim Jesus 2018. We've raised \$712,232 toward our goal of \$1 million. Praise God! With His help and your support, we're advancing our God-sized goal of reaching one billion people by 2028.

In fact, support for Proclaim Jesus 2018 is enabling us to launch a World Tour for 2019-2020 to at least 8 countries with a possible reach of 30 million people. I can't wait to see God work as I preach the Gospel to people who come to hear His voice. Please pray for our staff as we plan the tour, and pray for strength for our ministry partners in the countries that will be part of the World Tour.

**We're storming the gates of hell and taking back territory from the Enemy!** Thank you for praying for me and Life Without Limbs as we continue to serve Jesus and spread the Good News He gave us.

In Him, For Him, Through Him,

Nick

Thank You!

You helped us raise

**\$712,232**

of our

**\$1,000,000**

goal for

Proclaim  
Jesus 2018

With God's help and  
your support, we are on  
our way to being able to  
preach the Gospel to  
**ONE BILLION PEOPLE**  
worldwide by 2028.

# Your gifts ARE forever!

CHANGING LIVES...

Support from our generous donors has enabled Nick and the Life Without Limbs team to share the life-changing message of the Gospel of Jesus Christ through **live events, prison ministry, digital ministry** and **prayer and encouragement**.

## LIVE EVENTS

Nick shared the Gospel with 10,000 people in Boise, ID at the God & Country Festival where 350 new believers joined the family of God! While speaking at a youth conference in Indiana, Nick was able to inspire and help 5,000 youth to strengthen their faith by planting truth in their hearts and minds. Recently in Bonsall, CA, Nick's message of hope was heard by 3,200 people and over 100 came forward to accept Jesus as their Saviour. Praise God for the new Brothers and Sisters in Christ we now have!

*I have been so encouraged by Nick. His message has helped me look to Jesus and rely on Him alone. I was suffering with severe depression after losing both my parents...feeling guilty and full of regrets. After listening to Nick, I asked God to come into my life, to forgive me and help me move forward with His plan for my life. I feel a sense of peace which I didn't have before and it's amazing! However, I know this is only the beginning. I have to do my part too. To seek, to ask and to find and God will surely answer! Thank You Nick and God bless you always. -Nico*

## PRISON MINISTRY

The LWL prison ministry team has been to 84 prisons to date, and that number grows each month. There have been over 700 inmates who have given their lives to Christ and hundreds have recommitted! The Free in My Faith curriculum and video series is impacting lives. For example, a jail in Indiana recently installed a new video system for the sole purpose of showing LWL videos.

*At the end of the workshop, I sensed I still have a purpose in God's plan. I now feel I can move forward and also help others find their purpose in life. I would love the opportunity to use these videos to help teach others. Nick, thank you so much for your amazing team. Jay Harvey is one of the best teachers I've ever seen! We were all blessed! Praise God for all of you! - Mike*

## DIGITAL MINISTRY

Thanks to technology, the Gospel is being preached in more places than ever before. The LWL Facebook page now has over 340,000 followers...an increase of 40,000 in the past three months. 95% of our Facebook followers live in India, Philippines and South Africa.

*Dear Nick, I want you to know that you have changed my life in such a positive way. I just got diagnosed with breast cancer and will be having both breasts removed. God has sent you to me at a time when I'm in need of positive support. Nick, watching your videos has helped me immensely. I am blessed with this circumstance and will be fine with the grace of God. Thank you so much Nick for speaking to me through your videos. -Janice*

## PRAYER & ENCOURAGEMENT

LWL receives hundreds of prayer requests and testimonials from people all over the world. Your support helps ensure we can pray for each one and respond with words of encouragement and Biblical advice.

*Thank you so much for everyone who prayed for me. I've had great peace since the day I posted my prayer request on the Life Without Limbs prayer wall. God has healed my heart over my fiance's death and our organization also received a grant to continue our work! May God bless you all. -Angela*
